

| MAIN FEATURES   |                                |
|-----------------|--------------------------------|
| P/N             | XPTN-9000-85-8GT-VX            |
| Fixed port      | 8*10/100/1000 Base-T           |
| Management      | Yes                            |
| PoE Support     | No                             |
| Input Voltage   | DC12-58V                       |
| ESD             | IEC 61000-4-2 Level 4 (8K/15K) |
| Thermal methods | Fanless design                 |
| МТВГ            | 100,000 hours                  |
| Authentication  | CCC/CE/FCC/RoHS                |

## SPECIFICATION

| Provider Mode Ports                |   |  |
|------------------------------------|---|--|
| Fixed port                         | 8*10/100/1000 Base-T                          |  |
| Management Port                    | Support console                               |  |
| Power interface                    | Phoenix terminal, redundant dual power supply |  |
| LED Indicators                     | PWR, Link/ACT LED                             |  |
| Cable Type & Transmission Distance |   |  |
| Twisted-pair                       | 0-100m (CAT5e,CAT6)                           |  |
| Monomode optical fiber             | 20/40/60/80/100 Km                            |  |
| Multimode (optical) fiber          | 550 m   |  |
| Network Topology                   |   |  |
| Ring topology                      | Support                                       |  |
| Star topology                      | Support                                       |  |
| Bus topology                       | Support                                       |  |
| Tree Topology                      | Support                                       |  |
| Hybrid topology                    | Support                                       |  |
| Electrical Specifications          |   |  |
| Input voltage                      | DC12-58V                                      |  |
| Total Power consumption            | <10W  |  |
| PoE Support                        |   |  |
| PoE port                           | Unsupport                                     |  |
| PoE Protocol                       | Unsupport                                     |  |
| Pin Assignment                     | Unsupport                                     |  |
| PoE Management                     | Unsupport                                     |  |
| Layer 2 Switching                  |   |  |
| Switching capacity                 | 36G   |  |

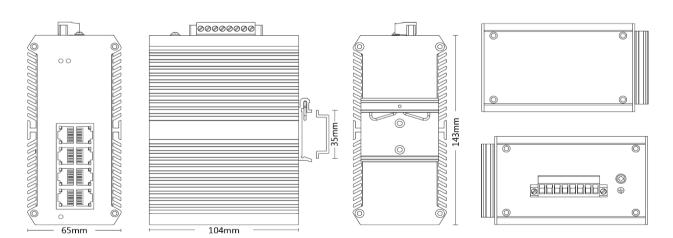

www.scodeno.vn 1

| Packet forwarding rate             | 26.78 Mpps   |
|------------------------------------|--|
| MAC address table                  | 16K  |
| VLAN                               | Support 4K   |
| Buffer                             | 12M  |
| Forwarding delay                   | <10 μs   |
| MDX/MIDX                           | Support  |
| Flow control                       | Support  |
| Jumbo Frame                        | Support 10 Kbytes  |
| Spanning Tree                      | Support STP/RSTP/MSTP  |
| Ring Protocol                      | Support ERPS   |
| Link Aggregation                   | Support 12 group   |
| Multicast                          | Support IGMP Snooping  |
| Port Mirroring                     | Support  |
| Storm Control                      | Support  |
| Interface Counters                 | Support  |
| QINQ                               | Support  |
| WatchDog                           | -  |
| 802.1X                             | Support  |
| MAC Authentication                 | Support  |
| Port Isolation                     | Support  |
| Rmon                               | Support  |
| NTP client                         | Support  |
| DHCP CLIENT                        | Support  |
| DHCP snooping                      | Support  |
| PING/TRACEROUT                     | Support  |
| Dying gasp                         | Support  |
| DDM                                | Support  |
| Port Isolation                     | Support  |
| Convergence                        |  |
| ACL                                | Support ACL 500; Support IP standard ACL; Support MAC expand ACL; Support IP expand ACL  |
| QoS                                | Support QoS re-marking, priority mapping; Support SP, WRR queue scheduling; Support engress rate-limited, egress rate-limit; Support Policy- Based QoS |
| Management                         | 0  |
| CLI                                | Support  |
| Console                            | Support  |
| Telnet                             | Support  |
| WEB management                     | Support  |
| Management IP                      | Support IPV4/IPV6  |
| SNMP                               | Support SNMPv1/v2c/v3  |
| User Management                    | Support  |
| System Log                         | Support  |
| Configuration File Download/Upload | Support  |
| Upgrade Firmware                   | Support  |
|                                    |  |

| Environment                       |  |  |
|-----------------------------------|--|--|
| Operating temperature             | -40°C ~ +75°C The device is tested for 8 hours at temperatures in 85°C |  |
| Storage temperature               | -40°C ~ +85°C  |  |
| Relative humidity                 | 5% ~ 95% non-condensing  |  |
| Thermal methods                   | Fanless design   |  |
| MTBF                              | 100,000 hours  |  |
| Mechanical Dimensions             |  |  |
| Product size                      | 65*104*143 mm  |  |
| Installation Method               | DIN-rail   |  |
| Weight                            | 0.85 Kg  |  |
| EMC & Ingress Protection          |  |  |
| IP Level                          | IP50   |  |
| Surge protection of Power         | IEC 61000-4-5 Level X (10KV/10KV) (8/20 μs)                            |  |
| Surge protection of Ethernet port | IEC 61000-4-5 Level X (6KV/4KV) (10/700 μs)                            |  |
| RS                                | IEC 61000-4-3 Level 3 (10V/m)  |  |
| EFI                               | IEC 61000-4-4 Level 3 (1V/2V)  |  |
| CS                                | IEC 61000-4-6 Level 3 (10V/m)  |  |
| PFMF                              | IEC 61000-4-8 Level 4 (30A/m)  |  |
| DIP                               | IEC 61000-4-11 Level 3 (10V)   |  |
| ESD                               | IEC 61000-4-2 Level 4 (8K/15K)   |  |
| Free fall                         | 0.5m   |  |
| Authentication                    |  |  |
| Authentication                    | CCC/CE/FCC/RoHS  |  |
| Accessories                       |  |  |
| Accessories                       | Device, Terminals, Specification, Certificate; Adapter (Optional)      |  |
