

| MAIN FEATURES   |                                      |
|-----------------|--------------------------------------|
| P/N             | SIS85-2GX24GP-R-V                    |
| Fixed port      | 2*1000 Base-X, 24*10/100/1000 Base-T |
| Management      | Yes                                  |
| PoE Support     | Yes                                  |
| Input Voltage   | DC48-58V (PoE)                       |
| ESD             | IEC 61000-4-2 Level 4 (8K/15K)       |
| Thermal methods | Fanless, natural cooling             |
| MTBF            | 100,000 hours                        |
| Certificates    | CCC/CE/FCC/RoHS                      |
|                 |                                      |

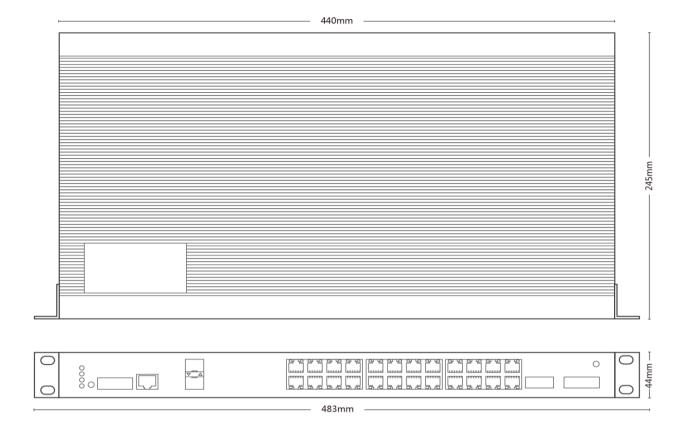

## **SPECIFICATION**

| Provider Mode Ports                |                                      |
|------------------------------------|--------------------------------------|
| Fixed port                         | 2*1000 Base-X, 24*10/100/1000 Base-T |
| Management Port                    | Support console                      |
| Power interface                    | Phoenix terminal, dual power supply  |
| LED Indicators                     | PWR, Link/ACT LED                    |
| Cable Type & Transmission Distance |                                      |
| Twisted-pair                       | 0-100m (CAT5e,CAT6)                  |
| Monomode optical fiber             | 20/40/60/80/100KM                    |
| Multimode optical fiber            | 550m                                 |
| Network Topology                   |                                      |
| Ring topology                      | Support                              |
| Star topology                      | Support                              |
| Bus topology                       | Support                              |
| Tree Topology                      | Support                              |
| Hybrid topology                    | Support                              |
| Electrical Specifications          |                                      |
| Input voltage                      | DC48-58V (PoE)                       |
| Total Power consumption            | <25W(Non-PoE), <385W(PoE)            |
| PoE Support                        |                                      |
| PoE port                           | 1-24                                 |
| PoE Protocol                       | 802.3af, 802.3at                     |
| Pin Assignment                     | 1,2,3,6                              |
| PoE Mode                           | Support                              |
| Layer 2 Switching                  |                                      |
| Switching capacity                 | 68G                                  |
| Packet forwarding rate             | 50.59 Mpps                           |
| MAC address table                  | 16K                                  |
| VLAN                               | Support 4K                           |
| Buffer                             | 12M                                  |
| Forwarding delay                   | <10 μs                               |
| MDX/MIDX                           | Support                              |
| Flow control                       | Support                              |
| Jumbo Frame                        | Support10 Kbytes                     |
| Spanning Tree                      | Support STP/RSTP/MSTP                |
| Ring Protocol                      | Support ERPS                         |
| Link Aggregation                   | Support 12 Groups                    |

www.scodeno.vn 1

| Multicast                          | Support IGMP Snooping  |
|------------------------------------|--|
| Port Mirroring                     | Support  |
| Storm Control                      | Support  |
| Interface Counters                 | Support  |
| QINQ                               | Support  |
| 802.1X                             | Support  |
| Radius/Mac authentication          | Support  |
| Port Isolation                     | Support  |
| Rmon                               | Support  |
| NTP client                         | Support  |
| DHCP client                        | Support  |
| DHCP snooping                      | Support  |
| Ping/tracer detection              | Support  |
| Dying gasp                         | Support  |
| Fiber module DDM                   | Support  |
| Layer 3 Route                      |  |
| Static Routes                      | -  |
| Convergence                        |  |
| ACL                                | Support ACL 500 lines; Support IP standard ACL; Support MAC extended ACL; Support IP extended ACL  |
| QOS                                | Support QoS re-marking, priority mapping; Support SP, WRR queue scheduling; Support egress rate-limited, egress rate-limit; Support Policy-based QoS |
| Management                         |  |
| CLI                                | Support  |
| Console                            | Support  |
| IP                                 | Support IPv4/IPv6  |
| Telnet                             | Support  |
| WEB                                | Support  |
| SNMP                               | Support SNMPv1/v2c/v3  |
| User                               | Support  |
| System Log                         | Support  |
| Configuration File Download/Upload | Support  |
| Upgrade Firmware                   | Support  |
| Environment                        |  |
| Operating temperature              | -40°C~+75°C The device is tested for 4 hours at temperatures in 85°C   |
| Storage temperature                | -40°C~+85°C  |
| Relative humidity                  | 5%~95% (non-condensing)  |
| Thermal methods                    | Fanless, natural cooling   |
| MTBF                               | 100,000 hours  |
| Mechanical Dimensions              |  |
| Product size                       | 440*245*44mm   |
| Installation Method                | Rack mounted   |
| Weight                             | 3.1KG  |
| EMC & Ingress Protection           |  |
| IP Level                           | IP40   |
| Surge protection of Power          | IEC 61000-4-5 Level X (8KV/8KV) (8/20 μs)  |
| Surge protection of Ethernet port  | IEC 61000-4-5 Level X (4KV/4KV) (10/700 μs)  |
| RS                                 | IEC 61000-4-3 Level 3 (10V/m)  |
| EFI                                | IEC 61000-4-4 Level 3 (1V/2V)  |
| CS                                 | IEC 61000-4-6 Level 3 (10V/m)  |
| PFMF                               | IEC 61000-4-8 Level 4 (30A/m)  |
| DIP                                | IEC 61000-4-11 Level 3 (10V)   |
| ESD                                | IEC 61000-4-2 Level 4 (8K/15K)   |
| Free fall                          | 0.5m   |
| Authentication                     |  |
| Certificates                       | CCC/CE/FCC/RoHS  |
| Accessories                        | Device, Terminals, Specification, Certificate, Adapter(optional)   |
|                                    |  |
